*Susan can now afford her children's school fees, thanks to the success of her business, started with a \$250 loan.*

**About Grameen Foundation (GF):** GF is a dynamic nonprofit that supports microfinance, commonly known as "banking for the poor." Microfinance provides small loans, savings, and other financial services so poor people can launch businesses. As an entrepreneur's business grows, so does her self-esteem and family's well-being. Grameen Foundation provides financing, technology and training to local organizations in the Americas, Asia, Africa and the Middle East. GF's assistance had helped the local organizations serve 6.8 million families around the world.
